Web: www.bathchewvalley.co.uk

A uniquely peaceful park, for adults only, based on a garden theme, with pitches set amongst lawns, shrubs & flower beds.

The site is within 800 yards of a championship fishing lake & the surrounding country park is a haven for bird watchers and walkers.

All pitches have 16 amp electric hook up, the toilet and shower facilities are heated & have been fully refurbished. There is a utility room with a freezer, sinks & ironing facilities, service washes are also available.

The park is carefully managed to reduce its impact on the environment. We are proud of our Gold Bellamy Award for Conservation. In 2006 we established an acre of woodland which is bounded by an attractive dog walking area.

The park is close to Bath with its historic spa and shops; Bristol & Weston super Mare are within easy reach & the site is an excellent base for exploring the Mendip Hills & West Country attractions.
